

Family Safety Pledge

Use this worksheet to plan what should be in your family safety pledge. Choose from the list, and/or write your own.

As a family, we value...

- personal safety
- loving and respectful relationships
- open and honest communication
- respect for one another
- personal growth and learning

We do not...

- put entertainment and social media above others
- give out personal information to people we've just met
- go with people without checking with parents first
- keep secrets from our parents about problems or safety
- view correction as an offence or insult

We will not allow others to...

- touch our private body parts
- use our passwords
- take us places without our parent's permission
- make us to keep secrets from our parents
- force us to do things we know are not right

We will tell each other...

- when we feel uncomfortable with something
- when someone hurts us or makes us uncomfortable
- when we feel someone is in danger
- when we need help keeping a commitment
- when we make a mistake and need to fix it

our safe people, places, and procedures are...

- Auntie _____ HP# _____
- 7-Eleven near _____
- use code word " _____ " if I need help
- find an adult woman (mother) in a crowd
- to make noise, fight back, resist, run
